

Hello everyone,

Pins for voicemail expire just like passwords.

When you check your voicemail, there may be a message saying your pin is about to expire in XX days. So there isn't anyone who gets locked out of their voicemail, please follow the steps below:

Press the message key

Enter your pin followed by #

Press 4 for setup options

Press 3 for preferences

Press 1 to change pin and follow the prompts.

Hang up and try out your new pin
